

Notes
Piedmont Triad Conceptual Regional Trail Plan & Inventory
Rockingham and Caswell County Workshop
November 19, 2009
Rockingham County Public Library, Reidsville

After a brief project overview and introduction to previous planning efforts in the region and statewide, the group of 12 attendees including members of the Dan River Basin Association, Caswell County Parks and Recreation Commission Trails Committee and County planning departments split up into three work groups to identify trail priorities for Rockingham and Caswell County.

The three small groups came up with the following priority projects. At the end of the small group workshop, participants reported their results. Projects with an * asterisk and in **bold** were identified as top priority projects.

Group 1 Priorities

- **Construct the Mountains to the Sea Trail (MST) Rockingham County Section & Connect with Reidsville ***
- **Develop Dan River Blueway and Land Trail***
- Connect the MST to the Beaches to the Bluegrass Trail in Virginia

Group 2 Priorities

- **Plan a downtown Wentworth Loop Trail ***
- Improve Mayo River water access
- Connect with new Equestrian Center and develop trails
- Explore trails on gasline north from Wentworth
- Construct trails on Mayo River from Mayodan to Stoneville

Group 3 Priorities

- **Develop Dan River Blueway and Land Trail ***
- Develop Rockhouse Creek Trail through Reidsville to the Haw River (MST)
- Explore south Rockingham to central Caswell County trail
- Construct Mayo River connector
- **Build Smith River Connector Trail***
- **Develop Rattlesnake Creek Connector Trail***
- Develop Stephentown Stagecoach
